Application for Permanent Vehicle Pass

NOTICE:

The operational necessity in this context can only be confirmed by FMO GmbH or the companies based at the airport for obtaining a pass if the performance of the activity in the sensitive part of the security area is not possible without the use of a vehicle. Parking in the sensitive part of the security area is only permitted for operational deployment. This does not include the mere arrival and departure of employees to/from the workplace.

The vehicle pass must be visibly placed behind the windshield on the airside.

The signatory (applicant) guarantees that the inspection interval of the MOT (or equivalent) has not yet been exceeded. They also guarantee that all drivers of the aforementioned vehicle will ensure this before entering the sensitive part of the security area.

The applicant is obliged to notify the ID office in writing of any changes affecting the operational safety of the vehicle or its insurance. Costs will be charged to the applicant.

The documents must be fully completed, signed, and sent as a .PDF to: ausweisstelle@fmo.de.

All chargeable services will be invoiced in accordance with the current fee/price regulations of Flughafen Münster Osnabrück GmbH. The applicant confirms this with their signature.

Datum:

By signing, I acknowledge that the provided data will be processed. The data protection notices for the processing of your data at FMO can be viewed here:
