If your vehicle is required airside: In which area? Apron Apron and manoeuvring area

Please justify the necessity of access:

Period for the Day Pass:

to

Up to a maximum of 12 days

Applicant's Details:

Surname:

Frist Name:

Date of Birth:

Department at FMO or Company/
Person Commissioning the Visit

The day pass will only be issued upon presentation of a valid ID card, passport, travel document, or residence permit at Airport Security, Gate 3b. The ID document must be carried at all times at FMO and must match the details provided on this form.

I am aware that the person applying for the day pass must promptly submit an application for a reliability check to the Münster District Government to obtain access to FMO again in the following year. Regardless of the approval of the application, a day pass can only be used for a maximum of 12 days per year.
